Wrist-Sizing Instructions

Step 1: Print this file and cut out the Ruler (on the left)

Step 2: Place the watch dial on top of your wrist and continue to wrap the ruler around the your wrist.

Step 3: To accurately record the measurement locate the black line located below the watch dial. There will be an arrow pointed up towards it that reads "Measure up to this line". Please write down this measurement and choose the closest option from the "Bracelet Size" drop down menu.
